Competition Rules

Shoeing Classes

Each competitor will trim, make a shoe, nail and finish their corner of the horse.

The only thing a competitor is allowed to do to a shoe that is not theirs is to strike, brush and move the shoe in and out of the fire.

A competitor is not allowed to make any kind of farrier act upon a shoe that is not theirs.

No samples, shoes, blanks, or templates will be allowed in the competition area.

The time limit given for each class may be used by teams in any way they choose with no time limits for hoof prep. Extra time will be given by judges' discretion only.

Scoring

Hoof Prep - 10 available points per competitor per judge

Shoe Making - 10 available points per competitor per judge

Shoe Fit - 10 available points per competitor per judge

Overall Fit & Finished - 10 points per competitor per judge
