

WORLD HEAVY HORSESHOEING CHAMPIONSHIP

Keystone Center
1175 18 th Street
Brandon, Manitoba
R7A 7C5
Canada

We are excited to be hosting the World Heavy Horseshoeing Championships together with the World Clydesdale Show in Brandon Manitoba Canada July 19-23, 2023. This spectacular International event will showcase the skill and endurance required in this highly regarded profession. Teams will be attending from all over the world to compete to become the World Heavy Horseshoeing Champions! The cost to participate in this competition goes far beyond airfare, hotel and food. The teams will practice together as much as possible prior to this event (sometimes flying half across their country), giving up much time, energy and finances so they can train together and become a unified team.

We want to honor those sacrifices and provide an exceptional event. All sponsorships will go towards paying for all the supplies needed (forges, coal, steel, cleanup items, stall bedding, coggins tests, judges fees, hydration/snacks for competitors etc) as well as making sure each competitor goes home with a new quality Farrier tool and other merchandise to thank them for making the trip to Canada!

We hope you will join us by whatever means you can to help us make the World Heavy Horseshoeing Championship 2023 an event no participant or spectator will forget.

Title Sponsorship \$5000+

This can be for the entire 3-day Farrier event, or a per-day Sponsorship. Please contact Jonathan Green to
